

# ScratchJr Assignment

Date: June 11, 2025

Objective: Learn to create a short animated story using ScratchJr.

Instructions:

1. Open the ScratchJr app on your tablet or device.
2. Create a new project.
3. Choose at least two characters and one background.
4. Use coding blocks to:
  - Make a character move.
  - Make a character say something using the speech bubble.
  - Change scenes at least once.
5. Add your own drawings or voice recordings to personalize the story.
6. Save your project with your name in the title.

Bonus Challenge:

- Try to create a short story about 'A Day at the Park' using three scenes.

Submission:

- Show your project to your teacher or record a video of it to submit.

Have fun coding!
